After a pause, I am pleased to announce that the long awaited Kootenay Healthy Living Expo is back!

The Kootenay Healthy Living Expo “Refresh” is making its debut on Sunday, September 17, 2023.

Our team is working tirelessly to carefully curate this expo to showcase our local experts within the healthy living sphere across this beautiful region we call home.

[Waneta Plaza](#) has been carefully chosen as the venue location to ensure that this expo is not weather dependent, and that exhibitors and sponsors alike have all the comfort they need to joyfully share their expertise and products, meet new customers, and to develop business partnerships.

With a maximum of 5 available spots, our goal is to deliver a superb expo where the focus is on the healthy living experts, skirted with additional vendors to complement their offering.

Please review this sponsorship package, and fill out your application no later than August 25, 2023.

I look forward to hearing from you!

**Wendy
Robertsen**

Wendy Robertsen is an experienced Yoga Therapy / Ayurveda professional. She knows how important fitness is for long-term happiness and has invested her career in helping people implement wellness strategies into their lives.

Wendy was driven to pursue fitness and well being from an early age from her passion for helping people during life-altering times, and a keen interest in the mind-body connection. She's been working in the fitness industry for 15 years and in that time has owned a yoga studio, a fitness retail store and coordinated wellness retreats.

She was educated at BCIT / Delta Yoga Institute and California College of Ayurveda.

Initially with a bachelor's in business management, she worked for Vancouver Magazine and Western Living Magazine in their sales and Marketing department. She's worked the last 15 years mainly in the yoga and Ayurveda field, but currently is also the Marketing coordinator for Earthy Organics Farm.

Wendy grew up in Fruitvale, moved away for 30 odd years, and then moved back to the area 2 years ago. Wendy loves the culture of the Kootenays (slow paced and outdoor focused). She enjoys spending her free time exploring towns around the Kootenays, as well as hiking and gardening.
