# TESTIMONIALS

"I moved to the area from a large Eastern Canadian city in 2020 and was curious how I'd make friends and network as a small business owner. An article I read suggested I join the local chamber, something I had never considered/done before.

It was hands down one of the best business decisions I have ever made. This is a fun, modern, active Chamber -open to new concepts and ideas, and supporting the business community. I have made so many friends and have been so well connected and supported thanks to this Chamber. If you're not a member yet, I strongly suggest becoming one. It will change your business life."

"In my experience, the Trail Chamber is one of the most active, enthusiastic organizations of its kind. In addition to providing benefits and resources that other BC Chambers do, the Trail Chamber staff are incredibly active at developing initiatives, ensuring communications are useful and plentiful, and providing community outreach and support in a variety of ways. They are also wonderful about hiring and recommending local businesses / Chamber members whenever possible. Erika, Marlene, and their mighty team are a force to be reckoned with!"
